NURIT® 3020
Countertop Payment Solution

LANDLINE™   SECURITY™   MULTI-APPS™   WEB READY™

THE DEPENDABLE, CUSTOMIZABLE SOLUTION FOR MULTIPLE PAYMENT PROCESSING

Do you need a flexible but affordable multiple payment processing solution? Are you looking to speed up and simplify your customers' purchase transaction experience? Lipman offers a compact, reliable solution. Lipman complies with universal industry standards for connectivity and data transfer. Lipman gives your retail or food services operation the processing security your business needs, the ease of use your employees want and the speed your customers demand. Think about how such transaction flexibility can increase sales and boost satisfaction. Then think about Lipman… and the proven NURIT Family of transaction-enhancing solutions.

SIGNIFICANT PROCESSING MUSCLE PACKED IN A SMALL, SPACE-SAVING FOOTPRINT

- High speed 14.4 bps modem for blazing fast settlement.
- A small footprint frees up precious counter space.
- It's the landline version of the NURIT 3010.
- The large, backlit graphical display is easy to read
- Built-in PIN pad and optional smart card reader improve security and convenience.
- Helps organize business and track transactions with customizable reporting features.
- Can handle multiple payment types: credit, debit, T&E, EBT, check verification, guarantee and truncation, pre-paid cards, loyalty/gift cards, smart cards and proprietary cards.

NURIT APPS™

- Customizable software lets you develop applications for doing business your way.
- Signature capture software with external pad.
- Age verification software.
- Check imaging, storage, submission and retrieval via the World Wide Web.

NURIT® 3020
Countertop Payment Solution

™ **LANDLINE** ™ **SECURITY** ™ **MULTI-APPS** ™ **WEB READY**

A COMPLETE PAYMENT MANAGEMENT TOOL

The NURIT 3020 Countertop Payment Solution is an ideal e-transaction solution. It's small, it's affordable, it's highly customizable and, above all, it's proven Lipman technology. Merchants benefit from fast transactions through a user-friendly interface that's easily customizable. It's simple to learn and easy to teach, boosting satisfaction levels on both sides of the counter.

A TOTAL SOLUTION FOR TOTAL CONVENIENCE

The NURIT 3020 offers a complete transaction solution in one compact package. It's a combination POS/EDC terminal with quiet, quick-loading thermal printer. Built-in PIN pad and optional smart card reader add efficiency, convenience and security. Plus, customizable hot key shortcuts make daily operation a breeze.

BUILT WITH YOUR BUSINESS IN MIND

The NURIT 3020 supports your need to stay organized, keep track of transactions, and remain in the know by generating reports and employee interfaces that can be customized to preference. That's what Lipman solutions are all about: enhancing the consumer transaction experience every step of the way.

Be sure to ask how the NURIT 3020 Countertop Payment Solution can satisfy your demanding customers' needs today and tomorrow, while improving your business performance. To find out more about the complete NURIT Family of transaction-enhancing solutions, call Lipman toll-free at 1-800-454-7626 or visit us at: www.lipmanusa.com
